

Sharrow Vale Community Association (SVCA)

About Us

We are a local voluntary organisation. We aim to keep Sharrow Vale a pleasant and welcoming place to live, work and visit. All our activities are open to new volunteers. We very much welcome new faces! Find out more about us on our website (link below).

Join Us

SVCA meet on the last Thursday of each month, 7-9pm, at the The Well, 603 Ecclesall Road. Access is via the rear door. Please check with us in advance to confirm before attending (email address below).

Street Champions

Do you have a street WhatsApp group? Want to be more involved in local developments or hear about topics relevant to you? We are looking to implement a new network of 'Street Champions. Please contact us by email for further information.

Sharrow Vale Community Association (SVCA) 2025 Activities

Events: Sharrow Vale Markets

SVCA volunteers organise 3 markets a year: Spring, Summer and Festive Season. 100 stalls stretch from Hunter's Bar Roundabout to Stewart Road. **All** profits raised are spent on community projects and good causes.

Charitable Donations

In 2025, SVCA donated substantial funds to the following; **£4,500** for new street trees - planted from October, **£1,000** to each of our Hunter's Bar Infant & Junior Schools, **£1,000** to Learn for Life, **£500** to Endcliffe Park Run, **£500** to Bloom and **£500** to St Vincent's Furniture Project.

Representation

SVCA work closely with our local Councillors on issues including local policing, parking, road safety, planning applications and any other issues of community concern.

Care for Our Streets

SVCA organise graffiti removal, disposal of hazards (e.g. broken glass) and undertake regular litter picks. Would you like help organising this for your own street? Become a street champion.

Community Projects:

SVCA volunteers love to increase greenery, bring colour and cheer to the area. This year we have invested in:

Hanging Baskets

Planters

Festive Lights

Could you sponsor a basket in 2026?

Can you help out with gardening?

School trees will be illuminated in 2025!

Pocket Park

SVCA nurture and maintain the tranquil green space on Eastwood Road. This enables you to enjoy nature, the river and discover features of the balustrade while eating your fish & chips!

Street Trees

Have you noticed the many new saplings on our streets? We collaborate with NESST (Nether Edge and Sharrow Sustainable Transformation) to fund ongoing planting in our area. If you would like to contribute please use the QR code noting your donation is for Sharrow Vale.
